USEFUL INFORMATION		
CSUSB Information	California State University, San Bernardino (Cal State San Bernardino or CSUSB) is a public university in San Bernardino, California, serving approximately 20,000 students. It is one of the 23 general campuses of the California State University system. CSUSB's mascot is a coyote, inspired by the desert animals that live near the campus. The campus itself is located below the San Bernardino mountains. The campus includes many notable buildings, a rock-climbing wall, and a telescope observatory. CSUSB is located:  • An approximately 30-minute drive from Ontario Mills (shopping outlet) • An approximately 1-hour drive from Hollywood • An approximately 1-hour drive from Disneyland • An approximately 1.5-hour drive from Santa Monica • An approximately 1-hour drive from Palm Springs • An approximately 1-hour drive from Big Bear (for winter snowboarding)	
Nomination	The climate in San Bernardino ranges from an average low of 5°C in the winter to an average high of 36°C in the summer. Weather includes windy autumns; mild, cold winters; and hot, dry summers.  Fall Semester:

Mandatory Health Insurance (updated in Fall 2022)	The U.S. government requires all exchange students to be covered by adequate health and accident insurance. Failure to carry adequate insurance may lead to termination of exchange visitors' status. To purchase the <b>mandatory health insurance</b> , please visit <a href="https://4studenthealth.relationinsurance.com/plan/international-student-insurance-plan-2020-2021-7232">https://4studenthealth.relationinsurance.com/plan/international-student-insurance-plan-2020-2021-7232</a> .  Paymnet options include the fall semester (August to January) or the academic year (August to August).
Airports	<ul> <li>We recommend the following airport for students:</li> <li>Los Angeles International Airport (LAX) is the largest international airport but is up to 2 hours drive from campus.</li> <li>Ontario International Airport (ONT), is approximately 30 minutes drive from campus.</li> </ul>
Airport Shuttles	Students are responsible for their transportation to campus. Here are three popular options:  • Ridesharing: Lyft, Uber or other ride-sharing companies. Note, a smartphone is needed for the application that connects you to drivers. The approximate cost for a one-way, personal ride from Ontario (ONT) airport to CSUSB is \$45-\$60 USD.  • Airport shuttle: Airport shuttle companies are another ridesharing option. Reservations need to be booked online and rides can cost between \$85 and \$100 from Ontario (ONT) airport. Rides from Los Angeles (LAX) airport range from \$190 to \$225. If you ordering with Xpress Shuttles, know that the shuttle picks you up at the curb outside of baggage claim, rather than a separate parking lot. For additional information, see <a href="https://xpressshuttles.com/">https://xpressshuttles.com/</a> .
Mandatory Orientation	All exchange students are required to participate in the international student orientation that takes place before classes begin and costs \$70.
